MRS. LOGAN TO BUILD

SELECTS PLAN, SIGNS FOR WATER METER, LETS CONTRACT, IN HALF HOUR

H. D. Charlton, designer for the Bentley-Schoeneman Lumber Company, spent a speedy and most satisfactory half hour last Friday, the 13th. At 4 p. m., Mrs. L. T. Logan of 1219 Victoria Drive, Los Angeles, entered the office to see about having a bungalow built. Within half an hour, she had selected a design for her house, made a trip to the City Hall to sign up for a water meter to be installed on the lot, consulted with the Rommel Construction Company, and signed a building contract with them, then went to her lot and marked the place for the water meter to be put in. The bungalow will be built on Hawthorne near Columbus Avenue, and will cost \$4000. Construction began this morning.

Death of Frederick H. Newlin

After an illness of five days, Frederick Harrison Newlin, sixteen years of age, died at the home of his parents, Mr. and Mrs. U. F. Newlin, 4520 Fourth Avenue, Los Angeles, Mr. Newlin formerly resided at 908 North Louise Street, Glendale, and moved to Los Angeles last fall. Frederick was formerly a student at the Glendale High School and his many friends will be very much grieved at his sudden demise. He was born at Coronado Beach, and lived in this State all his life. Besides his parents he leaves a sister, Miss Mary Lois Newlin, and a baby brother. The funeral services will be held on his birthday at the Jewel City Undertaking Parlor, Tuesday, the 17th, inst., at 2 o'clock p. m. Interment will be in Forest Lawn Cemetery. Mrs. Newlin is seriously ill.

INFORMAL DANCE

MISS KATHERINE AND LULU GREEN ENTERTAIN AT LA CANADA HOME

A pretty dancing party was given Saturday evening by Misses Katherine and Lulu Green at their home in La Canada. The spacious house and grounds are well adapted to a function of that sort and guests had their choice of dancing within or outside on the porch. The house was beautifully decorated with purple asters and yellow coreopsis and punch was served in the sun parlor. About fourteen couples were entertained, the Glendale guest list including Mr. and Mrs. Max Green, brother-in-law and Mrs. Max Green, brother and sister-in-law of the hostesses, Miss Alice McCoy, Miss Harriet Williams, Harry and Ray Moore. Miss Lulu Green will leave in the near future for Honolulu where she will teach the coming year.

Big Dam Completed

The Devil's Gate dam in the Arroyo Seco has been completed and the boulevard to cross over the top of it will be opened for travel Wednesday for a few days, then closed for about a month, when it will be permanently open. The dam was begun a year ago. It is 140 feet high and 600 feet wide. It has cost \$300,000.

CANADIANS LOCATE

F. M. EDWARDS, FROM LONDON, ONTARIO, BUYS E. L. OSBORNE'S PLACE

F. M. Edwards, wife and three little children, are now residents of Glendale, living at 127 North Columbus Avenue. They came to Los Angeles from London, Ontario, Canada, last November on account of Mrs. Edwards' health. They located in the southwest section of the big city, but as Mrs. Edwards did not improve they were contemplating returning to Canada, when the family physician advised their moving to Glendale or Eagle Rock. Mr. Edwards looked over both cities and liked Glendale so much that he concluded to buy and locate, so E. L. Osborne's new bungalow at 127 North Columbus Avenue, was purchased. They are convinced that Glendale's higher altitude is much better for Mrs. Edwards' health and they are well satisfied with their new location.

NEW SCOUT CAMP

GLENDALE MEMBERS NOW ENJOYING WEEKLY VISITS THERETO

The Glendale Scout Camp on Sister Elsie Mountain, is rapidly becoming an ideal week-end camp. It is situated on a beautiful plateau from which a view of all Los Angeles and the surrounding country can be obtained. The camp is shaded by huge cypress and pepper trees and there are several terraces which are held in place by picturesque stone walls. The swimming pool is the most ideal spot that nature can afford. It is sheltered by large cypress trees and different kinds of mountain brush. Around the pool is a broad path of grass, and to one side is a small pool which is filled with the most beautiful pond lilies.

The Glendale Scouts are building the camp themselves and are enjoying the work. Last Tuesday a company of Scouts in charge of Benjamin Robison, Jr., Assistant Scoutmaster of Troop No. 2, went up to work on the camp. Much was accomplished. The cabin and swimming pool were finished, also a trail from the camp to the pool was built.

The boys had a fine time swimming and playing games. The campfires were also enjoyed. Songs were sung and stories were told, some of the Scouts put on some vaudeville stunts which set the audience off in a roar of laughter. The boys returned to Glendale Saturday morning. Those who went on the trip were: Thomas Wood, Robert Laird, Harold Jones, Terrel Morse, Clifford Walcott, Harry Chase, Dallas Kalbaugh, C. G. Farrow and David Roberts of Troop 2; Bertrand Foster, Arthur Wetton and Arthur Barton of Troop 4; Wallace Haines of Troop 3. Scout William Shield of La Canada Troop No. 1 was a guest at the camp.

No Tobacco Lecture

Prof. F. W. Lough, state superintendent of the No Tobacco League, gave an address in the First Methodist Episcopal Church last evening on the economic side of the tobacco question. He stated the amount of money spent last year for coal, minerals, wheat, good roads, etc., then contrasted these sums with the five billions spent for tobacco, which not only does not promote health, prosperity, but contributes to tear down the body's structure and depletes the pocketbook without giving any return, but transitory pleasure. He referred to the evil effect of cigarette smoking on boys and urged fathers to set an example to their sons by refraining entirely from the use of the weed. He said the purpose of the No Tobacco League was to induce Congress to pass a law prohibiting the planting of ground to tobacco and thereby preserve the millions of acres now so used for the growing of grain crops.

WHITE STAR DANCE

FUNCTION AT ELKS' CLUB HOUSE SATURDAY EVE A GREAT SUCCESS

In spite of the fact that many Glendalians are absent at beach or mountains, the dance for the benefit of the White Star Patrol at the Elks' Club House, Saturday night, was a great success. About 150 couples danced either down stairs or in the lodge hall above, two orchestras, one led by Kenneth Whaley, the other by Roy Flint, furnishing the music. The entertainment committee of which J. F. Hearnshaw is chairman, had charge, his associates being Harry Whaley, Owen Emery and Walter Buttery. Ed Evans, manager of the White Star Patrol, Al Cawood and other members of the drill team served as reception committee, and ice cream and cake were served by way of refreshment.

Pittsburg For Glendale

Thomas R. Goodman has just arrived from Pittsburg to join his family, who have been here for several months, at 500 East Maple, and make his permanent home here. He will be in the employ of the Los Angeles branch of the R. H. Herron Company, handling oil well supplies, the corporation by which he was employed in Pittsburg. Miss Rachel Baker, sister of Mrs. Goodman, who is conducting a millinery establishment in Los Angeles, and who went to New York to make purchases not long ago, is expected home very soon.

OLYMPIAN GAMES

WONDERFUL PERFORMANCES BY AMERICANS IN THE 100-METER DASH AND 400-METER HURDLES

(Special Service to Glendale Evening News)
ANTWERP, Aug. 16.—American athletes jumped into the lead in the Olympic contests here today by their wonderful performances in the 100-meter dash and 400-meter hurdles. Charles Paddock of Pasadena finished first in the 100-meter dash, and Morris Kirksey of San Francisco second. The fifth and sixth places were also captured for America by J. V. Scholz of the University of Missouri, and Lorin Murchison of New York. The third place went to British Champion Edwards and the fourth to Alikhan of France.

A new world's record was made by F. F. Loomis of Chicago in winning the 400-meter hurdles. His time was 54 seconds, a second lower than the former record. John Norton of San Francisco took second in this event; Desch of Notre Dame third; Andre of France fourth; Christiansen of Sweden fifth, and Daggis of Los Angeles sixth.

BATTLE TO POSSESS WARSAW

HAND TO HAND FIGHTING AT MANY POINTS; BOLSHEVIKI ADVANCED TO WITHIN FIVE MILES OF CITY

(Special Service to Glendale Evening News)
WARSAW, Aug. 16.—A great battle for the possession of Warsaw has started along the east front, according to war office statements today. Both the Poles and Russians have launched attacks at many places and hand to hand fighting is being waged.

POSEN, Aug. 16.—Bolshevik troops have forced their way to within twelve miles of Warsaw, according to a message from the American Mission at Warsaw today.

A number of diplomats have arrived here indicating that the government intends to make Posen its headquarters. Posen is 120 miles west of Warsaw.

MOSCOW, Aug. 16.—The Bolsheviks have advanced their lines to within five miles of Warsaw where the battle is continuing, according to official war office statements today. The armies are fighting five miles east of Warsaw and fifteen miles from the city on the north side. The strong fortress Novogeorgievsk, ten miles northeast of the city, has not yet been assaulted.

LABOR'S DICTATION RESISTED

LONDON, Aug. 16.—Labor's "Council of Action," formed to dictate to the government as to its handling of the Russian situation, was challenged by Premier Lloyd George today in the House of Commons. He declared the government's Polish policy was unchanged and that any attempt by the "Council of Action" to strike at the roots of Democratic principles of government would be resisted by every means at his disposal.

The laborites have threatened to call a general strike if the government makes war on the Bolsheviks.

PARIS, Aug. 16.—Labor was on guard today to prevent the continental nations from sending aid to the Poles in their war with Russia. Following the lead of British workers Belgium workmen at Antwerp yesterday refused to handle munitions sent to General Wrangel. Social democrats of Czechoslovakia approved their government's declaration of neutrality and urged the establishment of diplomatic negotiations with Moscow.

Parley Christianson, American labor candidate, sent a message to British laborites congratulating them on their successful intervention which has prevented military action by the British against the Bolsheviks.

SKIRMISH WITH IRISH REBELS

ONE SOLDIER AND FOUR SINN FEINERS KILLED IN AN ATTACK ON GUARDS IN COUNTY CORK

(Special Service to Glendale Evening News)
DUBLIN, Aug. 16.—One soldier and four Sinn Feiners were killed in an attack on ten soldiers guarding an airplane at Kanturk, County of Cork, today.

WARSHIP SENT TO BALTIC

(Special Service to Glendale Evening News)
WASHINGTON, Aug. 16.—Admiral Huse, commanding the cruiser "Pittsburg," has been ordered to the Baltic Sea to protect American citizens in that district. The "Pittsburg" will be accompanied by a destroyer. The navy department took this step in the belief that American refugees will be fleeing to Baltic ports as a result of the Bolshevik offensive against Poland, it was announced.

WOOLEN COMPANY REPLY

(Special Service to Glendale Evening News)
WASHINGTON, Aug. 16.—The American Woolen Co. today filed in the United States Supreme Court an answer to the government's appeal from the decision of the lower courts in quashing an indictment against the company under the Lever Act.

FLAG DESECRATION

NATIONAL EMBLEM MUST NOT BE USED FOR ADVERTISING PURPOSES

Erwin Widney, City Prosecutor of Los Angeles, in commenting on the complaint against J. Monroe Flowers and his associates, promoters of the United Auto Clubs of America, a fraudulent organization, for using the American flag for advertising purposes, said desecration charged consisted of their using crossed flags freely, in their natural colors, in connection with their trade mark on their stationery, and membership cards and membership signs furnished to garage men and others for display. Persons displaying these signs are subject to similar prosecution, says Mr. Widney. Both national and state laws are very severe against any use of the flag for advertising purposes and all persons contemplating any such usage would do well to scan these laws closely before giving their orders for printing or advertising.

The organization which Flowers formed had no connection with the Automobile Club of Southern California. Members of the American Legion brought about his arrest and one of them swore to the complaint against him.

BIRTHDAY PARTIES

TWO CELEBRATIONS IN HOME OF MR. AND MRS. F. H. EILERS

Two birthdays were observed last week in the home of Mr. and Mrs. F. H. Eilers at 115 North Adams Street. One which took place the evening of the 14th, was in celebration of the eighteenth natal anniversary of the daughter of the house, Miss Martha Eilers. Games suitable to the occasion were played and ice cream and cake were served. The guest list included: Misses Elizabeth Edmonds, Louise Hoit, Margaret West, Margaret Fife, Mildred Elliott, Phillis Baker, Inez Harrison, Flora Mae McGhee, Mary McDill, Mabel Prinderville, Messrs. Paul Edmonds, Kenneth Wilde, Edward Smith, Stephen Fairchild, and three young men from South Carolina, viz: Raymond Evans, Fred Boswell and Bryn Burns. The honoree was the recipient of many pretty gifts.

Thursday afternoon, the tenth birthday of John Eilers was celebrated with a little party at which Howard and Dana Van Loon, James Edmonds, Herbert and Stephen Hoit, Howard and Francis Fallis were entertained. A program of games and party refreshments of ice cream, cake and candy made a pleasant afternoon for the little folks. John also received gifts.

Christy-Brice Wedding

Invitations are out for the wedding of Charles Thompson Christy and Miss Lena Mae Brice, to be held Wednesday evening, September 1, at 8 o'clock in the First Methodist Episcopal Church.

COUNTY TEACHERS

NEARLY 6000 NOW EMPLOYED AS AGAINST 1130 IN 1903

According to Mark Keppel, Superintendent of Los Angeles County schools, more than one-fourth of all the teachers in the State are now employed in this county. Of the 5772 teachers in this county, 872 are men and 4900 women. There are 396 kindergarten teachers, 1735 high school and 3641 elementary. According to Mr. Keppel, there were only 1130 teachers in the county in 1903, so there has been more than 400 per cent increase in 17 years, which means approximately the same per cent of increase in population. The total school attendance of pupils the past year was 125,931, an increase of 12,147 over the previous year. It is expected that more than 6000 teachers will be needed next year, so rapidly is the population increasing.

Great Building Record

Building permits for the first 14 days of August totaled \$158,962 and only one of these, for \$3000, was for a business building. Thus more than \$155,000 worth of these permits were for new residences, garages, additions or remodeling of residences. The largest one issued was for \$6000.

HUNTING PARTIES

GLENDALE NIMRODS SCATTER TO MOUNTAINS FOR OPENING OF DEER SEASON

A. G. Cornwell of Cornwell & Kelly, reports a great rush for hunting licenses this year, especially on Saturday, when about fifty were issued at his store. In all he thinks 150 have been taken out by Glendalians or friends who have been visiting here. One party which left Saturday included George W. Warner, T. J. Hujchinson, S. Neighbors and son. They were bound for Mt. Whitney and expected to be gone about two weeks. The same day C. E. Hutchinson left for the Kern River country to be gone for several weeks.

Another party included Ray Galvin of 204 South Orange, George Clayton, James Farrell, Charles Kent and Perry Rentfrow. They have gone to Lone Pine in the high Sierras and will not be back until Thursday.

Still another party which will leave some time this week and which will go to Ventura County, will include Spencer Robinson, Harry MacBain, Mr. Tracy of Los Angeles, and Dr. O. A. Dieterich.

LA CANADA HERO

DR. HENRY C. EVERSOLE IN CHARGE OF RED CROSS SHIP "CHILDREN'S ARK"

La Canada residents had a special interest in the arrival in San Francisco the last of the week of the Children's Ark, the big freighter chartered by the Red Cross to return to their parents in Petrograd 800 children who, to save them from the ferocity of the Bolsheviks, were exiled two years ago to the Ural mountains. The expedition is in charge of Dr. Henry O. Eversole whose home is in La Canada. Two years ago he gave up his practice in Los Angeles to take charge of Red Cross relief in Siberia. It has meant administrative work along many lines. For instance: The running of trains of the Trans-Siberian railroad was so demoralized that neither passengers nor supplies could be forwarded with any certainty. The railroad was controlled by the government which forbade railroad employees to quit their jobs on penalty of severe punishment for desertion. Their pay remained the same as it was before the revolution and was barely sufficient for a subsistence on black bread and water, leaving nothing for clothes or for the support of families. Dr. Eversole clothed thousands of these railway workers and otherwise aided so that the railroad was kept open and thousands of persons were able to get away from the advancing typhus plague which was prevented from reaching Vladivostok by the sanitary measures the doctor employed. With Dr. Eversole are four physicians and fourteen nurses. The doctor's wife and his two sons, accompanied by Mrs. Eversole's father, Mr. E. P. Clark of Los Angeles, went to San Francisco to see the doctor when his ship reached that port. It is due in New York on the 28th and from there will proceed to Russian waters. As the trans-Siberian railway is now in control of the Japanese who refused transport for these children, the long round-about journey was made necessary.

Dr. Eversole was in California for about two weeks last year after having accompanied a ship load of invalid Czechoslovak soldiers from Vladivostok to Prague, for which service the Czechoslovakian government has proposed to decorate him.

BIDWELLS COMING

James C. Barnett who is employed by the Santa Fe with headquarters at Needles, came home to spend Sunday with his family at 718-A South Brand Boulevard. Mrs. Barnett has recently been advised by Mr. and Mrs. Bidwell of Mitchell, S. D., who purchased the Barnett place on Riverdale Drive, that they expect to be in Glendale to make their permanent home within six weeks. They were here a year ago and fell in love with the city and made the purchase mentioned. Mr. Bidwell is a retired capitalist and has been closing out his holdings in Mitchell.

PRESBYTERIAN

SERMON THEME "BE NOT TOO BUSY TO WATCH YOUR LIFE"

The services at the Presbyterian Church yesterday were well attended. The pastor, Rev. W. E. Edmonds, delivered a strong and practical sermon, taking for his text: "And as thy servant was busy here and there, he was gone." I Kings 20:40. He related the story of the prophet who disguised himself and appeared to Ahab, King of Israel, telling him of a man committed to his care, and while he "was busy here and there, he was gone." The king told him he had brought judgment upon himself. Then the prophet threw off his disguise and told the king he was the guilty man. The Lord had given Ahab a commission to take Ben Hadad, king of the Syrians, and destroy him. And though the victory had been his, he refused to obey the Lord's command. God taught Ahab a lesson. "To obey is better than sacrifice."

Rev. Edmonds said, in part: "By paraphrasing this text, we draw some very practical lessons, and find out the busy man's blunder. Everyone should be busy. All should be occupied with earnest work of some kind. Even Christ Himself said, 'I must be about My Father's business.' But we must never be too busy to obey God's commands. Are you too busy to attend prayer meeting? Too busy to worship God on His Holy Day? Are you so busy with other things that you shove Jesus Christ and His service into a corner?"

"The subject should be considered from four different standpoints: First, 'While I was busy here and there, my health was gone.'

"Second: 'While I was busy the home was gone.'

"Third: 'While I was busy my influence was gone.'

"Fourth: 'While I was busy here and there, my soul was gone.'

"In some wonderful old ruins in Europe, away back in an obscure part of the building, one finds some rare sculpture like lace work. Perhaps the monks, in olden time, wrought here apart from the world, as under the eye of God alone. With all your busy life, will its work stand the scrutiny of God's eye? When you come to the end, may the Master say, 'Well done, good and faithful servant.'"

"THE LIVING DEAD"

GLENDALE AUDIENCE HEARS FIRST LECTURES BY L. W. ROGERS

About eighty persons who are either in sympathy with theosophical beliefs or who desire to learn something about them, gathered Sunday evening at the Masonic Temple to hear the first of the course of five lectures to be given this week by L. W. Rogers, national president of the Theosophical Society.

Under the theme, "The Living Dead," he considered the continuity of life as indicated in the scriptures and in other religions. Briefly he recounted some of the experiments made under test conditions by Sir William Crookes, the great English scientist, recently deceased, which satisfied Crookes and the group of friends associated with him in the experiments, including Sir Conan Doyle, Sir Oliver Lodge and others that the soul exists as an entity after the death of the body. He declared these experiments had revealed that wild grief of friends who are left here has a very bad effect on the liberated spirit which is more keenly responsive to emotion than under earth conditions and that it is the aim of the theosophical society to promote a more rational view of death as merely a change to which all should look forward with anticipation rather than dread.

He referred briefly to the theory of reincarnation as an explanation of many of the mysteries and inequalities of life upon which he would dwell at length in his next lecture.

Mr. and Mrs. R. D. Angelica of North Maryland on Sunday motored to Arcadia to call upon friends who are improving acreage there and building an attractive home. They also stopped in Pasadena and report that the mercury registered 99 degrees while they were in the Crown City.

The grantee of said franchise, his, its or their successors or assigns, shall have the right, subject to such regulations as are now or hereafter may be in force, to make all necessary excavations in said highway for the construction and repair of said pipe lines, traps and manholes.

That all pipes shall be laid not less than two feet under ground, and, unless the Board of Trustees of said City shall otherwise direct, shall be laid along the sides of the highways and shall be within five feet from the curb lines in said street, and shall not be nearer than three feet to the macadamized portion of said road; and in the event that it is necessary to cross any portion of macadamized road, cement gutter or culvert, the same shall be done in such manner as not to disturb the foundation thereof, and in event the same cannot thus be done, the said crossing shall be made under a special permit to be granted by the Board of Trustees of said City upon application therefor, said application

to be accompanied with a drawing, specifications and explanations, showing the necessity for the same. That during the laying or repairing of any such pipes, any trench or excavation made for such purpose shall, from sunset to sunrise, be barricaded and protected by lanterns placed at distances of not more than one hundred feet apart, along such trench or excavation, one of which shall be placed in the center of any cross street fronting on said San Fernando Road, at the point where said work is in progress.

No percentage shall be paid for the first five years succeeding the date of said franchise, but thereafter such percentage shall be payable annually.

And it shall be the duty of the grantee of said franchise and of his or its successors or assigns, to file with the Clerk of said City of Glendale at the expiration of six years from the date of granting said franchise, and at the expiration of each and every year thereafter, a statement, verified by the oath of the manager or presiding officer of said grantee or his or its successors or assigns, showing in detail the total gross receipts and gross earnings collected or received by said grantee or his or its successors or assigns during the preceding twelve months, arising from the use, operation or possession of said franchise, and within ten days after the time for filing the aforesaid statement, it shall be the duty of said grantee and his or its successors or assigns to pay to the City Treasurer of the City of Glendale the aggregate sum of the said percentage upon the amount of the gross annual receipts arising from the use, operation or possession of said franchise, and if the amount paid is incorrect, in the judgment of the Board of Trustees, they may order the payment of such additional sum as they may find due hereunder, and if not paid, the same may be collected by suit. And any neglect, omission or refusal by said grantee or his or its successors or assigns to file said verified statement, or to pay the said percentage of the said gross annual receipts at the times or in the manner hereinbefore provided, shall ipso facto work a forfeiture of said franchise and all of its rights thereunder, to the City of Glendale.

That said grantee or his or its successors or assigns shall not sell, transfer, assign or lease said franchise or any part thereof, or any of the rights or privileges granted thereby, except by a duly executed instrument in writing filed in the office of the Board of Trustees of the City of Glendale, and nothing in said franchise contained shall be construed to grant to said grantee or his or its successors or assigns any right to sell, transfer, or assign or lease said franchise or any of the rights

or privileges thereby granted except in the manner aforesaid.

Nor shall gas or oil to be carried by the said grantee, its successors or assigns through the pipe line for the construction of which this franchise is granted be disposed of directly or indirectly to any competitor of said grantee or its associated or subsidiary companies, operating in said City of Glendale, and be sold therein, except by the consent of the Board of Trustees of said City.

That any neglect, failure or refusal to comply with any of the conditions of said franchise shall thereupon immediately ipso facto effect a forfeiture thereof, and the said City, by its Board of Trustees, may thereupon declare said franchise forfeited, and may exclude said grantee or his or its successors or assigns from further use of the highways of said City under said franchise; and said grantee or his or its successors or assigns shall thereupon and immediately surrender all rights in and to the same, and said franchise shall be deemed and shall remain null, void and of no effect.

Notice is hereby given that sealed bids in writing will be received at the office of the City Clerk of said City of Glendale for said franchise up to 8 o'clock in the afternoon of the 26th day of August, 1920.

That the bids received will be opened at that time; that all bids must be for the payment of a stated sum in gold coin of the United States; and that the franchise will be struck off, sold and awarded to the person, firm or corporation who shall make the highest cash bid therefor, provided only, that at the time of opening said bids, any responsible person, firm or corporation, present or represented, may bid for said franchise a sum not less than ten per cent above the highest sealed bid therefor, and that said bid so made may be raised not less than ten per cent by any other responsible bidder, and said bidding may so continue until finally said franchise shall be struck off, sold and awarded by said Board of Trustees to the highest bidder therefor in gold coin of the United States, and provided further that the Board of Trustees reserve the right to reject any and all bids.

Each sealed bid must be accompanied with cash, or a certified check, payable to the City Treasurer of the City of Glendale for the full amount of said bid, and no sealed bid will be considered unless said cash or check is enclosed therewith; and the successful bidder must deposit at least ten per cent of the amount of his bid with the Clerk of said City before said franchise will be struck off to him, and if he shall fail to make such deposit immediately his bid will not be received and will be considered as void and said franchise will then and there be again offered for sale to the bidder who shall make the highest cash bid therefor, subject to the same conditions as to deposit as above mentioned. Said procedure will be had until said franchise is struck off, sold and awarded to a bidder who shall make the necessary deposit of at least ten per cent of the amount of his bid, as herein provided. Said successful bidder shall deposit with the City Clerk within twenty-four hours after the acceptance of his bid the remaining ninety per cent of the amount thereof, and in case he or it fails to do so, then the said deposit theretofore made will be forfeited, and the award of said franchise will be void, and said franchise will then and there, by the said Board of Trustees, be again offered for sale to the highest bidder therefor, in the same manner and under the same restrictions as hereinbefore provided, and in case said bidder fails to deposit with the City Clerk the remaining ninety per cent of his bid within twenty-four hours after its acceptance, the award to him of said franchise will be set aside, and the deposit theretofore made by him will be forfeited and no further proceedings for the sale of said franchise will be had until the same shall be readvertised for sale.

Notice is also hereby given that the successful bidder for said franchise must, within five days after said franchise is awarded to him or it, file with the said Board of Trustees a bond running to said City in the penal sum of One Thousand (\$1000) Dollars with at least two good and sufficient sureties, to be approved by said Board of Trustees, conditioned that said bidder will construct said pipe lines and shall well and truly observe, fulfill and perform each and every term and condition of said franchise, and that in case of any breach of condition of said bond, the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond. If said bond be not so filed, the award of said franchise will be set aside, and any money paid therefor will be forfeited. The Board of Trustees reserve the right to grant similar franchise over said street to any other person or company.
